**COLSTREAM LEADER**—This is a dark red, deep bodied masculine bull—ready for service. Better breeding will not be offered in any sale. A line bred Edellyn Royal Leader calf. This famous bull shows on both dam and sire sides. One grand dam is by Calrossie Mercury, perhaps the greatest bull used in this country. His own dam, by Saltoun Squadron Leader, goes directly to Uppermill Sentinel. This young bull combines the best blood of three truly great herds. He should produce outstanding calves. There are no weaknesses in his pedigree.

**BROADBLADE BUILDER**, right out of our show herd that won the Michigan Premier Breeder award. Edellyn Twofold Mercury is well enough known to need no comment. His dam was champion of an Indiana State Sale as a heifer is the best cow in our herd. Her sire is a half brother to Robinwood Bombardier. This line of breeding was used at Michigan State College and by many breeders very successfully. Here is a wonderful opportunity for a line breeding program.

LAKESIDE QUEEN 2d is the first daughter that we have ever offered for sale from the foundation cow Maplevale Vanity Queen 2d—She was an Illinois State Sale Champion female. She has been a valuable brood cow for us. The daughter sells bred since August 9th to Lakeside Max Barrage, the Michigan State Fair Reserve Senior Champion bull. You can expect a great calf from this mating.

**BROADBLADE MELODY.** This heifer is in the sale to set an example of what is selling and to help make a superb offering. She was a member of the first prize pair of yearlings at the Michigan State Fair.

**COLSTREAM LEADER'S PENNY 2721-243** — A popular dark red, this sweet-headed heifer will add to any herd. With excellent top and bottom lines, she is smooth throughout. Consigned in farm breeding condition. We consign only individuals we would want to buy. Tracing to Edellyn Royal Leader and to Calrossie Mercury, you can judge for yourself. Her dam has been a regular producer, a good mother and is choice Shorthorn type. The sire Banner Model was never shown, but produced many beefy, deep bodied calves. You will like this heifer.

# **STANDARD GUARANTEE**

**OF**

## **AMERICAN SHORTHORN BREEDERS ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction. All animals sold in this sale will be backed by the above Standard Guarantee. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
